### Compact Spinning Retail Display Stand

Retail spinning display stands are the perfect solution for displaying all of your Apple Park and Organic Farm Buddies toys and accessories in one compact location.

MDF birch veneer spinning display stand. Includes all hooks and fitting accessories.

Holds up to 120 Apple Park or Organic Farm Buddies products on 4 slotted panels.

Compact retail footprint: only 0.25 sqm with hidden spinning base.

Foam board logo inserts into top of stand.

Logo silk screen printed on both sides.

Choose from Apple Park or Organic Farm Buddies logo. Only one logo per stand.

Ships flat packed.
