Made with love

100% organic luxury. Made with love for babies and toddlers

Apple Park designs and manufactures unique eco-friendly toys and accessories for babies and children using only the finest organic, sustainable and recycled materials. Every item is safe for children, better for the planet and always eco-friendly.

Apple Park is a magical place where the apples grow in heart shapes and the Picnic Pals, a group of baby animals, live and play. Through their adventures they teach children about the environment, living a healthy lifestyle and the value of friendship.

100% organic toys and accessories for value conscious customers

Organic Farm Buddies is an eco-friendly range from Apple Park created especially for value conscious customers. Its 100% Organic Cotton toys and accessories promote a safe, polyester free nursery.

These toys are more eco-friendly than most – even in places hidden from view. For example, every plush toy is filled using natural hypo-allergenic corn fibre.

The Organic Farm Buddies range is built around a growing range of cute and cuddly characters. Children are guaranteed to fall in love with them at first sight; and form friendships that endures.

100% Planet & People Friendly

- All materials comply with GOTS-Global Organic Textile Standard or OCS-Organic Content Standard
- ASTM F963-08 - American Society for Testing & Materials for Toy Safety
- Azo Dye Free. Certified non-toxic and non-phthalate
- ICTI Certified Factory Consumer Product
- OEKO – Tex Standard Low Impact Dye
- Organic Trade Association Member
- Contains no harmful chemical dyes, synthetic pesticides, PVC, (polyvinyl chloride) or hidden Polyester filling
- Packaging printed on recycled paper.

Books

These books launch the Apple Park phenomenon with every customer

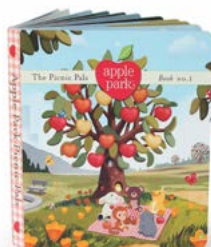

Each beautifully illustrated book brings the personal story of Apple Park's Picnic Pals to life.

Sell a book as an introductory offer, then encourage customers to build their own Apple Park experience in one of two ways:

1. Collect every plush toy character to create a Picnic Pal family.
2. Collect just one character across the full range of toys & accessories.

Through their exciting adventures, Apple Park's lovable characters teach kids about the environment, living a healthy lifestyle, and the value of friendship.

Our standard credit term is Net 30 Days from our invoice date.

Please notify us within 7 days of delivery if your order is incomplete, our products are faulty or if you've received damaged goods. To process a claim for faulty or damaged goods we need well lit and focused images of the affected item. More details on how to lodge a claim can be found on our website.

We'll credit your account for the value of items missing from your order. For faulty or damaged goods we'll decide, at our discretion, to repair them, replace them or credit your account.

We ask you to keep your account current at all times. All costs incurred recovering payment of overdue invoices are recharged, including all legal or debt recovery fees. We pursue all debts vigorously and may restrict website access or suspend dispatch of new orders until payment is made.

Placing your first order

Customers ordering for the first time are asked to confirm their credit-worthiness by making full payment on a pro-forma invoice before we dispatch an order. Stock is only held for 7 days pending payment. Our standard order minimum applies for all pro-forma orders.

Once you've completed three pro-forma orders and established a reliable trading history you can apply for a credit account.

How to place an order

The easiest way to place a wholesale order is via our website: www.artiwood.com.au.

It's updated hourly with the latest stock levels, prices and special offers. Online orders flow directly into our system resulting in faster processing. We also accept orders placed by email with prior approval. However these require manual intervention and are subject to delay.

To use our website you must first register for wholesale access. Registration is simple. Open the WHOLESALE menu on our home page for an online application form. Allow two business days for us to process your application. If approved, an email or letter confirming registration is issued; along with an introductory welcome kit.

If you require immediate access please call 02 8294 3030 (Sydney). We'll need an ABN (and website address if you have one) to verify eligibility for wholesale services.

How to pay us

We prefer to be paid by electronic funds transfer (EFT) direct to our bank account. We include these details on our invoice.

When making an EFT payment always include the reference number printed on our invoice (or your customer ID number). Failure to do so may delay receipt of your payment and result in late payment charges.

You can also pay by credit card. We accept VISA or Mastercard. Credit card payments incur a 1.65% surcharge (including GST).

Marketing content available

Registered customers can download web-optimised images (including logos and lifestyle images), product information, data files and marketing materials from our website. Strict terms of use apply. See our website for details.

Please contact our office if you need high resolution print-ready image files.

Our minimum freight charge

Our freight charges vary depending on your location. We always strive to identify the cheapest delivery solution available, particularly for remote or rural locations.

A typical package weighing up to 20kg will incur a minimum charge of:

Sydney Brisbane & ACT	\$20.00
Southern QLD & Melbourne	\$25.00
Regional VIC & Adelaide	\$27.50
Central & Northern QLD	\$30.00
Regional SA & TAS	\$32.50
WA and NT	\$35.00

These are estimates only; not guaranteed rates. Delivery to an address outside a metro zone typically costs more.

Freight charges are calculated based on dimensions and weight. This means that bulky items can incur higher charges, even if they weigh less than 20kg.

Additional fees may apply to orders requiring multiple cartons for safe delivery; or for an unsuccessful delivery. We pass on fees at the rate we incur them.

Delivery times

We always strive to pack and dispatch your order within 48 hours of submission (excluding weekends and public holidays); or upon receipt of payment for a proforma invoice. During busy periods, particularly after a trade show or during seasonal retail peaks, extra time may be required to process your order.

We confirm dispatch of your order by email. This message includes a tracking reference to monitor its progress online.
